Paragraph 4 of Reference B refers to all forms of travel of PCB Soviets in a given country. It requests that any travel of such Soviets to which one or more of the four criteria described in subparagraphs a, b, c, or d apply be reported to Headquarters by cable. All PCB Soviet arrivals, then, should be reported to Headquarters by cable, as soon as the Station learns of their presence or imminent arrival. PCB departures, on the other hand, should not be cabled unless one or more of the criteria described in subparagraphs a, b, or c apply to the Soviet in question.
